

The Discipline of God's Word

A Spirit-Led Scripture Reflection Worksheet

Digging Deeper Devotional

This Week's Assignment

This week's **Dig-in Deeper Devotional** is an assignment that Pastor Hooper gave to the congregation on **August 9, 2026**.

The purpose of this assignment is to encourage each of us to intentionally spend time **meditating on God's Word**. Choose a Bible verse or short passage of Scripture that speaks to you, and use the instructions provided on the attached form to guide you through a deeper time of reflection, meditation, and prayer.

Psalm 1:2 gives us a clear picture of the importance of meditating on God's Word:

"But his delight is in the law of the Lord, and in His law he meditates day and night."

— Psalm 1:2 NKJV

The goal is not simply to read the Word, but to **sit with it, listen to it, reflect on it, and allow God to speak to us through it**.

Take your time with the Scripture you choose. Read it repeatedly, pray it and even sing it. Ask Spirit-led questions. Consider what the passage reveals about God, what it reveals about you, and what God may be calling you to change, strengthen, or surrender.

Then allow the Word to move from your **head to your heart, and from your heart into your life**.
